TUSET

The image shows a vast, industrial-style studio space. The ceiling is high and features a complex network of dark metal trusses and beams, with several recessed circular lights. On the left, a large, smooth, white curved wall dominates the foreground. The floor is a light-colored, polished surface that reflects the overhead lights. In the background, a glass-enclosed mezzanine level is visible, supported by dark columns. Staircases with metal railings lead up to this level. The overall atmosphere is dark and professional, with a focus on modern technology and design.

The first studio in Barcelona
with Real-Time technology permanently
installed that brings a world of possibilities
in virtual production.

TUSET

IT CONSISTS OF 2 SETS FULLY EQUIPPED WITH A CYCLORAMA,
MAKE-UP ROOMS, DRESSING ROOMS, A PRODUCTION ROOM, A REST AREA AND BATHROOMS.
